

Opportunities for High School Students

Start a Habitat Chapter at your school or community

Start a Habitat club to volunteer, fundraise, and spread awareness for Habitat's mission with others in your school, church, neighborhood, or other community!

Ideas for chapter activities include:

- Lego building competition and educate about accessible homeownership and Habitat's mission
- Scheduling a group volunteer day
- Hosting a Stuff-a-Pickup Truck drive for donating gently used household items to the ReStore
- Coordinating a 50/50 raffle at a sporting event

Starting a Habitat chapter provides opportunities to:

- Strengthen your resume
- Earn volunteer hours
- Demonstrate leadership potential
- Make a positive impact in your community

Interested? Email volunteer@habitatmontdelco.org for more info.

Volunteer Opportunities

Join our ongoing volunteer opportunities to serve your community.

- ReStore
- Special Projects
- Build sites (16+)

These opportunities are subject to availability.

About Habitat for Humanity

Habitat for Humanity of Montgomery and Delaware Counties is a 501c(3) nonprofit which creates accessible homeownership in our community. Our mission is to build homes, communities, and hope, which we accomplish through our Home Purchase Program, Home Repair Program, and Neighborhood Revitalization efforts.

How to Start a Habitat Chapter

1

Reach out for more resources

If you're interested in starting a Habitat Chapter at your school or community, send us an email at volunteer@habitatmontdelco.org to receive your onboarding kit and outline of next steps!

2

Find a club sponsor

Ask a teacher or adult to sponsor your chapter. In school, a teacher will help you register your club with the school. For community groups, an adult sponsor will help you stay organized and on track. Templates provided.

3

Get the word out

Post flyers around your school or community, make social media posts, and talk with your friends, classmates, and peers about joining the club. Create an email list or group chat to coordinate meetings and volunteer events.

4

Host your first meeting

Host your first meeting! Use our meeting presentation template to guide your first meeting. Providing pizza or other snacks is a great way to recruit more attendees!

5

Start making a difference

Whether you are hosting a Lego building competition, painting birdhouses, hosting a pickleball tournament, or coming in to volunteer at our ReStore for an afternoon, you will be making a positive impact in your community.
